IN THIS ISSUE

March Pro Demo

On Wednesday, March 24 (tonight), we host an acclaimed turner from Colorado. Cindy Drozda is known for her exquisite finials and she will be creating a finial box for us.

Highly skilled and renowned as a turner and an exceptional remote demonstrator, her presentation will be a real treat.

March Member Meeting

Emiliano Achaval, last month's pro demonstrator, will be making a special appearance for Show 'n Tell to judge our Calabash attempts after Cindy Drozda's demo tonight. *Don't miss it!*

Shavings Session was Great!

Shavings Session –

We had a great turnout March 13 at Carlos Angulos' shop to learn chainsaw safety, how to "find the bowl" in a log, and a natural-edge turning demo from Carlos. It felt fantastic to see each other in person!

Next one is slated for May 8!

Who Is...

Dain Warner?

Each month, we will highlight a member, so we can continue to get to know each other better.

What?! *There's life beyond our little circle of woodturning?* Seems there is!

This month, we will be getting to know a new turner/new member.

Husband, Dad, Drywall Contractor, Martial Arts enthusiast... .. and oh yeah... Woodturner!

Originally from Davenport Iowa, Dain moved to California 46 years ago as a toddler. He and his wife Cathy have been married 22 years and live in Grass Valley, where they own Bestway Drywall. They have a daughter, 26-year-old Atrice, and two sons, Micah (20) and Derek (16).

"I'm really trying to get into a different habit, because I'm getting older and, since I'm trying to get out of martial arts, I wanted to find something that can occupy my time. I stopped competing about a year and a half ago. My passion was gone, because of injuries. So I'm trying to find something that won't beat up my body and I can do it as long as I want."

After Bob Lucas showed them some of his work, Dain and Cathy were hooked! Cathy enjoys woodburning and epoxy work, so woodturning seemed to be a natural fit for their family.

"When I get into something, I try to get all in. I've already got too much wood, I think! It's everywhere."

Dain and Cathy have a daughter and two sons.

*"When Can We Resume
Monthly Meetings in
Person?"*

We are hopeful (but not guaranteed) that expanding vaccination schedules will make it possible to have physical meetings again by early summer. Zoom demos will also continue.

Meanwhile, stay safe and take all recommended safety precautions!

We miss you!
